“You can't put a limit on anything. The more you dream, the farther you get.” A quote by the Olympic Champion Michael Phelps.

Our students at DBIS participated in the Under 14 rollball tournament at the District Level conducted on 6th October 2017. Both our girls' and boys' teams won all their matches with blazing score lines. They qualified for play offs at the Divisional level in Shahad, Kalyan with competition flowing in from different districts. The boys' team exited in the semifinal match to the home team Sacred Heart School. Our girls made it to the finals winning the match 2-0. The girls qualified to play at the State Level held in Nandurbar, on 14th October 2017 and returned home second in a nail biting finish.

It was a wonderful experience for our students who were exposed to various tactics and strategies of different teams, returning home albeit poorer by a trophy, but richer in experience. They, the students and coaches worked hard as a team and stuck together to give their opponents a tough fight.
