

## **Career and College Counselling at DBIS**

DBIS believes in providing a well-rounded educational experience to students. The career and college counselling is personalized based on a student's interest, academic goals and college aspirations.

The career and college guidance is designed to suit every individual student's needs grade 8 onwards at DBIS. Some of the opportunities available to students include:

- Career Exploration
- Subject Selection
- Profile Building
- Effective summer planning
- Road ahead session
- University visits
- Individual counselling sessions
- DBIS Internship Program
- Career Fair and Guest Lectures with professions
- College Applications
- Cialfo as an application management tool to support university applications
